

SECOND ANNOUNCEMENT AND CALL FOR ABSTRACTS

THIRD CONFERENCE ON EARTHQUAKE HAZARDS IN THE EASTERN SAN FRANCISCO BAY AREA

SCIENCE, HAZARD, ENGINEERING, AND RISK

October 22-24, 2008

(140th Anniversary of the 1868 earthquake)

California State University, East Bay

PURPOSE

To synthesize and make public information on earthquake hazards in the Eastern San Francisco Bay Area that has been developed since the 1992 conference. The activities and publications will take advantage of interest in earthquake hazards and risk generated by the 140th anniversary of the 1868 Hayward fault earthquake. In addition to technical sessions, the conference will include a public forum, field trips, and tutorials for educators.

DATES
