

International Workshop on Making Resilient Cities Campaign and Local HFA2 Consultations

10–13 December 2013, UNISDR ONEA/GETI Conference Hall, Incheon, Republic of Korea

Final Evaluation Form

We need your help in improving our work - knowing if these forums are useful to you is an important indicator in this respect. Therefore, we kindly request you to fill in this evaluation sheet and hand it to us at the end of the last day of the forum.

Please answer by ticking a case accordingly:

	Strongly agree	Agree	No impact	Disagree	Strongly disagree
I have received basic knowledge on the Making Cities Resilient (MCR) Global Campaign new strategy, tools and developed better understanding on how to apply and implement the 10 essentials.					
I had an opportunity to learn about other MCR campaign member cities experience in implementing MCR 10 essentials and share our experience during the workshop plenary sessions and group discussions.					
I developed a better understanding of Post 2015 DRR Framework (HFA-2) Consultation Process and had an opportunity to discuss with colleagues from other cities and LG's and provide recommendations for the HFA 2 process.					
I gained new ideas on the approaches for building effective strategies to promote political advocacy for DRR at local level					
I established new contacts and gained new ideas from my colleagues from other countries					

	Excellent	Very good	Good	Acceptable	Poor
OVERALL rating of the workshop.					
OVERALL rating of the workshop organization and logistics.
