Observance of the National Disaster Preparedness Day

The National Disaster Preparedness Day (NDPD) 2014 observed across the country on Thursday, March 27, 2014 with the aim to raise awareness among people about disaster preparedness. This year the theme of the day was “Disaster has no timetable; let’s remain prepared all the time (দুর্যোগের নেই দিনক্ষণ, প্রস্তুত থাকব সারাক্ষণ)”. The Ministry of Disaster Management and Relief (MoDMR) in collaboration with Comprehensive Disaster Management Programme (CDMP II) and other development partners have taken various programmes and events including publishing newspaper supplement, TV talk show, roundtable meeting, poster and festoon installation etc. to observe the day.

The Hon'ble Prime Minister Ms. Sheikh Hasina, in a message issued on the occasion, said her government is always ready to build a safe and disaster-resilient nation through implementing disaster risk reduction projects and programmes. Referring to different policies taken by the government to reduce loss of lives and property during natural disasters, the premier also urged all to build an effective disaster management structure by implementing all the existing policies successfully.

Mr. Md. Abdul Hamid, Hon'ble President, in a separate message, appreciated the initiative to observe the day and wished all the programmes arranged for the occasion success.
