Duties And Responsibilities

Promote activities and processes, in coordination with personnel of UNISDR Americas and the regional liaison officer, for the dissemination and implementation of the Sendai Framework for Disaster Risk Reduction in Peru.

Promote, facilitate and support the development and implementation of a pilot project, to be defined jointly by the national authorities and UNISDR, aligned with the Sendai Framework for Disaster Risk Reduction and based on the priorities of UNASUR's High-Level Working Group for Comprehensive Disaster Risk Management and in particular on Peru's national priorities for DRR and resilience.

Together with personnel of UNISDR Americas and ECHO South America, coordinate with national and local authorities and partners for the implementation of DIPECHO-related activities, processes and actions to be carried out in Peru, in particular those relating to UNISDR's regional project and others which complement disaster risk reduction and preparedness in Peru.

Ensure proper coordination and articulation among Peru's national authorities and the national system for disaster risk reduction and management, UN Country Team, DIPECHO partners and counterparts, personnel of ECHO South America, civil society, private sector, special interest groups, academia, among others.

Support promotion and implementation of the Making Cities Resilient Campaign with local

authorities in Peru.

Support activities aligned with DRR in the country, such as the International Day for Disaster Risk Reduction, participation in conferences and workshops, provide presentations and written inputs, advocacy, outreach and others in collaboration with UNISDR Americas, national DRM authorities and ECHO.

Other tasks as relevant at the request of UNISDR's Head of the Regional Office for the Americas and the project coordinator for South America.
