

8th annual Conference on Health & Humanitarian Logistics

AUGUST 29-31 | Atlanta, GA

Georgia Institute of Technology

The HHL Conference brings together speakers and attendees from non-government organizations (NGOs), industry, government, military, and academia in a forum to identify common challenges, share innovative research, and prioritize strategies, policies, and investment. The agenda features plenary panel discussions, interactive workshops, poster sessions, and ample opportunities for networking.

2016 panels will address:

- **Strengthening Public Health Systems**
- **Supply Chain Complexities in Refugee Crisis Response**
- **Designing Supply Chains for Health Emergencies**
- **Sudden Onset Disasters: Matching Supply with Demand**

Past speakers have include representatives from: The Bill and Melinda Gates Foundation, CARE, CDC, Clinton Health Access Initiative, Coca-Cola Company, Doctors without Borders, GAVI Vaccine Alliance, GlaxoSmithKline, The Global Fund, Imperial Health Sciences, John Snow Inc., Johnson & Johnson, McKinsey & Company, North Star Alliance, OXFAM, Partners in Health, People that Deliver, UNICEF, UPS, WFP, World Bank, WHO, and ministries of health from around the world.

TO SUBMIT A WORKSHOP PROPOSAL OR POSTER, please upload an abstract online **BY JUNE 24** at chhs.gatech.edu/conference. A limited number of discounted registration rates are available for the first 2 employees of each NGO as well as limited support for students with accepted posters. For further information or to **SPONSOR** the conference, email Meghan Smithgall msmithgall@isye.gatech.edu.
